## PROFESSIONAL SUMMARY

3D Artist with 3+ years of experience creating high-quality, optimized 3D assets for real-time game engines, including work on AAA titles. Skilled across the full asset pipeline (high-poly modeling, retopology, UV unwrapping, and texturing) using industry-standard tools such as Maya, Blender, ZBrush, and Substance Painter. Experienced collaborating with leads and cross-functional teams, incorporating feedback to deliver polished, deadline-ready assets across studio, team, and freelance client projects.

## EXPERIENCE

**3D Artist** — *Kaedim* *July 2025 – Present*

- Modeled, UV-unwrapped, and textured 3D assets for a range of projects, including AAA game titles, ensuring all work met technical specifications and art direction.
- Addressed feedback through iterative revisions and collaborated closely with leads to achieve the best possible result on each asset.
- Maintained consistent visual style and technical quality throughout the asset pipeline, supporting reliable delivery across concurrent projects.

**Freelance 3D Artist** — *Multiple Clients* *October 2023 – July 2025*

- Delivered high-quality, production-ready 3D assets for numerous freelance clients across a range of games and creative projects.
- Consistently met each client's specific requirements and expectations while managing projects independently from start to finish.

## EDUCATION

**Technician in Art and Animation for Videogames** *2022 – 2024*

*Image Campus*

**Introduction to Unreal Engine — Course** *Oct 2021 – Nov 2021*

*Image Campus*
